

Dashboards

Objectives:

At the end of this episode, I will be able to:

1. Explain the dashboard feature of the FMC
2. Explain some of the pre-built dashboards included with the FMC
3. Describe the creation of your own custom dashboards

Additional resources used during the episode can be obtained using the download link on the overview episode.

Remember the following points:

- There are many prebuilt dashboards
- Each dashboard can include different tabs
- Tabs contain widgets that control the display of specific data

External Resources:

During this episode, you can reference the following external resources for supplementary tools and information:
