

Other Integrations

Objectives:

At the end of this episode, I will be able to:

1. Explain the many integrations that are possible with Cisco Firepower and the various other security technologies
2. Describe sample steps for this integration

Additional resources used during the episode can be obtained using the download link on the overview episode.

Remember the following points:

- The additional Cisco integrations that you should be aware of include:
 - Threat Intelligence Director (TID)
 - Cisco Threat Response
 - Rapid Threat Containment
 - pxGrid

External Resources:

During this episode, you can reference the following external resources for supplementary tools and information:
