- Episode Name: Extracting Firmware Filesystems

=====

## Extracting Firmware Filesystems

### Objectives:

- Explore methods for extracting IoT firmware filesystems for analysis

- 
- Why should we be concerned with filesystem extraction?

- Better understanding of the target device(s)
- Look for useful info
  - Passwords
  - Usernames
  - Useful code
  - Certificates
  - Keys

- How do we extract firmware?

- Binwalk
- Firmware Mod Kit
